Notice to MVA Patients

To our Motor Vehicle Accident (MVA) patients - please be advised that Action Reaction Physical Therapy requires the following paperwork from you in order to submit charges on your behalf:

1) Accident Report (ARPT form) with all information completed on your initial visit

2) Claim number, claims address (typically not your insurance agent) and PIP adjuster information (name and phone number)

3) Verbal acknowledgement of Personal Injury Coverage (PIP) on your policy and stated current and remaining benefits

If your claim cannot be processed for any reason, please be advised that you will be treated as a self-pay patient and charged at our self-pay rate of $95 per session for all previous physical therapy. If in the future your claim is accepted and we are reimbursed for your dates of service, the $95 out of pocket per session rate will be reimbursed to you.

Please note, it is the patient's responsibility to acquire all information that is needed for billing purposes with Motor Vehicle Accident insurance. It is also the patient's responsibility to follow up with the Motor Vehicle Insurance claims adjuster to make sure the claim is being processed in a timely manner to avoid the above stated charge per session. We expect that any changes in the status of your claim be communicated directly to us by our clients.

Please communicate the following examples:

- Insurance company requires an IME (Independent Medical Exam).
- Personal Injury limit has been reached or is about to exceed the limits on your policy.
- You have engaged an attorney.

Also note, generally MVA insurances cover the billed amount per session. However there are a few exceptions. Please be aware that Action Reaction reserves the right to charge the patient for any remaining balance once the claim has been accepted and paid out.

We appreciate your assistance.
