

# Notice to Labor and Industries Patients

To our Labor and Industries patients, we would like to remind you that at time of service we need the following documentation and information from you in order to process your claims with Action Reaction Physical Therapy:

- 1) Accident Report – readable copy from Attending Physician – please bring to your first appointment or have your attending physician fax to ARPT 206-523-6831.
- 2) Copy of official “Accepted Claim” letter from Labor and Industries with billable diagnosis codes.
- 3) Verification of number of allowed physical therapy benefits from Labor and Industries.
- 4) A signed copy of this letter.

Note: A physical therapy authorization process may be required after 12 visits – this is the responsibility of Action Reaction Physical Therapy to complete the paperwork.

If this information is not received after 1 month of service with Action Reaction PT or your claim cannot be processed for whatever reason, please be advised that you will be treated as a self-pay patient and charged at our self-pay rate of \$95 per session for all previous and current physical therapy sessions, payment due upon receipt of statement or at time of service. If in the future your claim is accepted, the \$95 out of pocket per session rate will be reimbursed you. We will not bill your medical insurance company until such time Labor and Industries has officially with documentation, denied your claim.

Please note, it is the patient’s responsibility to acquire all information that is needed for billing purposes with Labor and Industries. It is also the patient’s responsibility to follow up with Labor and Industries to make sure the claim is being processed in a timely manner to avoid the above stated charge per session.

## Welcome to Action Reaction Physical Therapy, Inc.

**KNOW YOUR INSURANCE:** Your insurance policy is a contract between you and your insurance company. Insurance policies vary, even within the same company. Your insurance company has the final say on what is covered and not covered under your policy. Even though we verify coverage or eligibility for you, ultimately, it is your responsibility to know what your coverage is for services. All questions about your coverage should be directed to your insurance company.

All services you receive here are transactions between you and your health care provider. If the services are not covered by your insurance, you may ultimately be responsible for the cost of these services.

**MOTOR VEHICLE INSURANCE:** We will bill your open MVA claim. It is recommended that you call your insurance company to verify the amount of coverage and how much is available on your claim. In the event that coverage for services on your plan is for "reasonable and customary", you will be responsible for the amount not paid by the insurance company.

**THIRD PARTY INSURANCE:** In the event your motor vehicle accident involves third party insurance, you may be charged a \$50 lien filing fee. This fee will cover the cost of filling the lien, renewing and releasing the lien once a settlement and payment have been received.

**WORKERS COMPENSATION CLAIMS:** We will bill your open, approved workers compensation claim. Please be advised that in the event your claim is denied, you are financially responsible for all charges.

**PAYMENT OPTIONS:** We accept personal checks, debit, cash, Visa, MasterCard and Discover. Insurance co-payments are due at each visit. For all payments made in the clinic, a written receipt will be given to you. Any portion of your treatments that are not covered by your insurance becomes your responsibility, and is due within 30 days. Interest may be charged at a rate of 1% per month (12% annually) for unpaid balances over 30 days old. Additionally, a \$27.00 fee will be charged to the patient for each incident that a check is returned to us with insufficient funds.

**SUPPLIES:** We are a non-DME (durable medical equipment) provider and therefore, payment for supplies is due at time of service.

**NON-DISCRIMINATION:** Admission to our clinic is non-discriminatory for services rendered, regardless of race, color, national origin, disability, or age. All clients who come to our office for services are protected against discrimination assured by the Title VI of the Civil Rights act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975.

Thank you for allowing us the opportunity to serve you. If you have any questions about the information above or any uncertainty regarding your insurance coverage, please do not hesitate to ask for our assistance.

### **Cancellation and missed appointments policy**

We value your time and hope that you value our time as well. Appointments cancelled less than 24 hours in advance or missed appointments affect our community of patients and physical therapists.

A missed appointment means a physical therapist could not see a patient that might be needing care that day. Therefore, please make note of our cancellation and missed appointment policy below.

- **You (not your insurance company) will be charged \$50.00 for a missed appointment not cancelled at least 24 hours in advance of your scheduled visit.**
- **\$50.00 fee payable upon receipt of invoice.**
- **Exceptions are limited to emergencies.**

We provide reminder calls the day before your appointment as a courtesy. You are responsible for remembering your scheduled appointment at the time you make the appointment. **Stating that you did not receive a reminder call or that the call was made after the 24 hour deadline does not make your missed or cancelled appointment an exception.**

*By signing the statement below you are stating that you understand Action Reaction Physical Therapy's cancellation and missed appointment policy.*

I the undersigned have been informed about the Action Reaction Physical Therapy 24 hour cancellation and missed appointment policy. I understand that I will be charged, and expected to pay Action Reaction Physical Therapy \$50.00 for appointments not cancelled at least 24 hours in advance, or for any missed appointments.

I have been informed that reminder calls are made the day prior to my appointment as a courtesy but that I am expected to remember my appointment at the time I make that appointment. (Reminder calls are often made less than 24 hours before the scheduled appointment time.)
