

## Welcome to Action Reaction Physical Therapy, Inc.!

KNOW YOUR INSURANCE: Your insurance policy is a contract between you and your insurance company. Insurance policies vary, even within the same company. Your insurance company has the final say on what is covered and not covered under your policy. Even though we verify coverage or eligibility for you, ultimately, it is your responsibility to know what your coverage is for services. All questions about your coverage should be directed to your insurance company.

All services you receive here are transactions between you and your health care provider. If the services are not covered by your insurance, you may ultimately be responsible for the cost of these services.

MOTOR VEHICLE INSURANCE: We will bill your open MVA claim. It is recommended that you call your insurance company to verify the amount of coverage and how much is available on your claim. In the event that coverage for services on your plan is for “reasonable and customary,” you will be responsible for the amount not paid by the insurance company.

THIRD PARTY INSURANCE: In the event your motor vehicle accident involves third party insurance, you may be charged a \$50 lien filing fee. This fee will cover the cost of filing the lien, renewing and releasing the lien once a settlement and payment have been received.

WORKERS COMPENSATION CLAIMS: We will bill your open, approved workers compensation claim. Please be advised that in the event your claim is denied, you are financially responsible for all charges.

PAYMENT OPTIONS: We accept personal checks, debit, cash, Visa, MasterCard and Discover. Insurance co-payments are due at each visit. For all payments made in the clinic, a written receipt will be given to you per request. Any portion of your treatments that are not covered by your insurance becomes your responsibility, and is due within 30 days. Interest may be charged at a rate of 1% per month (12% annually) for unpaid balances over 30 days old. Additionally, a \$27.00 fee will be charged to the patient for each incident that a check is returned to us with insufficient funds.

SUPPLIES: We are a non-DME (durable medical equipment) provider and therefore, payment for supplies is due at time of service.

NON-DISCRIMINATION: Admission to our clinic is non-discriminatory for services rendered, regardless of race, gender or gender affiliation, national origin, disability, or age. All clients who come to our office for services are protected against discrimination assured by the Title VI of the Civil Rights act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975.

Thank you for allowing us the opportunity to serve you. If you have any questions about the information above or any uncertainty regarding your insurance coverage, please do not hesitate to ask for our assistance.

## Action Reaction Physical Therapy Cancellation and Missed Appointments Policy

We value your time and hope that you value our time as well. Appointments cancelled less than 24 hours in advance or missed appointments affect our community of patients and physical therapists.

A missed appointment means a physical therapist could not see a patient that might be needing care that day. Therefore, please make note of our cancellation and missed appointment policy below

- **You (not your insurance company) will be charged \$75.00 for a missed appointment not cancelled at least 24 hours in advance of your scheduled visit**
- **\$75.00 fee payable upon receipt of invoice**
- **Exceptions are limited to emergencies**

We provide reminder calls the day before your appointment as a courtesy. You are responsible for remembering your scheduled appointment at the time you make the appointment. Stating that you did not receive a reminder call or that the call was made after the 24 hour deadline does not make your missed or cancelled appointment an exception.

By signing the statement below, you are stating that you understand Action Reaction Physical Therapy's cancellation and missed appointment policy.

I, the undersigned, have been informed about the Action Reaction Physical Therapy 24 hour cancellation and missed appointment policy. I understand that I will be charged and expected to pay Action Reaction Physical Therapy \$75.00 for appointments not cancelled at least 24 hours in advance, or for any missed appointments.

I have been informed that reminder calls are made the day prior to my appointment as a courtesy, but that I am expected to remember my appointment at the time I make that appointment. (Reminder calls are often made less than 24 hours before the scheduled appointment time.)
